DISTRICT IS OPPOSED

Moreland District Voters To Consider State Aid Funds For School December 13; New Building Site Adjoins El Quito Park

Voters in the Moreland School District will be asked to vote December 13 on the question of accepting \$94,816.89 from the State to aid in building classrooms and buying school sites. The district is bonded to capacity and help from the state is essential of any new school rooms are to be constructed. District funds available are insufficient.

Moreland School has had a 400% increase in enrollment during the past five years. The increase this term has been from 285 in October of 1949 to 441 in October of 1950. By the end of this term 500 or more children should be in attendance and 800 to 900 are anticipated for the Fall of 1951.

The building program of the district includes the completion of the present Moreland site by the addition of two kindergartens, six classrooms, facilities. A new site will be a new cafeteria and other purchased in the Quito Park area and two kindergartens and six classrooms constructed immediately. Later a third site will be selected and an upper grade school built as need for this type of school grows.

This program will not increase the present tax rate nor cause a raise in tax payments. The district will be required to repay these funds to the State only when and if it is able. As long as the district tax for building is 40c or more no payment will be made to the state and, when payments are made, at no time will the tax rate for the building exceed 40c. At the end of 25 years the interest due the state will be cancelled and at the end of 30 years any principal remaining will be wiped out. Under present conditions some of these funds may become an outright gift from the state.

PRESS GREETES 200 NEW SUBSCRIBERS IN FIRST WEEK OF BIG CAMPAIGN; RECEIPTS GO TO LOCAL SERVICE FUND

Nearly 200 new subscribers joined the Campbell Press readers this week. In the first week of an intensive drive to increase the Press' reading public, Mildred Kaufman and C. C. Standley, subscription drive chairman, set themselves a high mark at which to aim in future weeks.

Most important — each paid subscription means a boost for Community Service Fund. After paying cost of obtaining the subscription, the publishers are turning the entire balance over to the Campbell Community Service Fund. It is hoped that the Press will increase the Community Service Fund by at least \$500 by close of the subscription campaign in another month.

NEW SUBSCRIBERS

Following are names of the new subscribers:

Mrs. Lucille Abernathy, 1011 Lvel Ave.; J. W. Adams, 280 California; Norman C. Adams, 624 Robin Lane; W. A. Adams, 288 Esther Ave.; Mrs. Mary L. Allen, 149 Dillon Ave.; Mrs. J. C. Citizens' Group To Campaign For School Bond Issue

A citizens' committee, organized to conduct a campaign for the Campbell Union School District bond issue, has been formed in the Campbell area. The \$235,000 bond election, which, if carried, will qualify the school district for \$1,663,000 state allocation to carry out a large scale building program, is scheduled for Thursday, Dec. 14.

Members of the committee are Mrs. Leonard Meritt, representing the Moorpark and Campbell area, Mrs. Lloyd Brown, Campbell; Mrs. Howard Womar, Moorpark; Mrs. Raymond Martin, San Tomas.

High School Office Robbed Of \$260

Sheriff's deputies are investigating burglary of the Campbell Union High School superintendent's office, which netted the burglars \$260 Wednesday night.

Deputy Elton Heck said the intruders attempted to break open the school safe by breaking off the dial and drilling two holes in the door. Actually, burglars did get away with \$100 in cash and a county warrant for \$160.

Gov. Warren Wins Strong Support In This Area

Governor Earl Warren carried Campbell voting precincts Tuesday with an unofficial total of 2,167 votes to 926 for James Roosevelt.

Twenty-ninth Assembly District candidate Charles S. Gubser, also a Republican, rolled up 1,457 votes to top his Democratic opponent, R. O. Del Mutolo, who received 1,192. Del Mutolo conceded the election to Gubser at 3 a.m. Wednesday in the following telegram to the successful candidate: "Honorable Charles S. Gubser, Assemblyman-elect, 29th District, c/o Gilroy Dispatch, Dear Charlie, congratulations on your splendid victory. It was a hard fought campaign but a clean one. I think you will make a good legislator and the people of the 29th District will be proud to be represented by a man like you," signed, R. O. Del Mutolo.

PROPOSITIONS

Campbell's 10 precincts, San Tomas's one, and Hamilton's four chalked up a strong NO vote of 2,279 on Proposition One, personal property taxation, to 467 Yes.

The inferior court reorganization plan, Proposition Three, carried here with a Yes vote of 1,949 to 422 opposed.

On Proposition Six, legalized gambling, Campbell area again said no, this time 2,271 to 632.

Less unevenly divided was sentiment on Proposition 10, public housing projects, where the opposition carried by 1,339 to 1,007 in favor.

Giant Paper Drive Being Conducted By CUHS Students

The biggest paper drive in the Campbell high school history is currently underway, with Jim Hearon serving as director of the student drive. Cash from sale of the paper will provide funds for student activities.

To date over \$500 has been realized in sale of 111,511 pounds of paper sold. The nearly 55 tons of paper was collected since the drive began a week ago Wednesday. The closing date will be next Monday afternoon.

Until that time, residents may deliver bundles to the school reception area near the gym between 7:30 and 9 a.m. and 3 and 4:30 p.m. Those unable to deliver bundles, may phone the school for pickup service. Papers should be tied in bundles not more than 10 inches high.

The drive is in the nature of a contest between administrative classes. The class with the top tonnage of paper collected will be awarded \$10 and time off for a party. Prizes will be awarded top five students in the drive. These will be a radio, two pen and pencil sets, basketball and jacket.

Top class in totals to date is Teacher John Meischke's U. S. history, sixth period, with a record 20,001 pounds.

Division totals are: freshman, 14,742; sophomore, 28,309; junior, 27,859; and senior, 40,601.

Top individual students are: Bob Mulberry, junior year, 4,252 lbs.; Ken Stuckey, senior year, 3,777; Carole Schrader, sophomore, 3,310; Barbara Shockley, senior, 3,122; and Ron Newburn, senior, 3,013 pounds.

Opponents Cite Inadequacy of Present Law; Mention Tax Burden; Possible Corruption

Opponents of the proposal to establish a Campbell Police Protection District formed a nucleus for an intensive drive to defeat the measure when they met last night in the Campbell Press building. Although many of those present represented the rancher interests who stand to carry a far larger tax burden under the proposal, representatives of the local business district were in evidence.

All those attending were not necessarily opposed to establishment of a police district, since several

stated they do not oppose the district, but rather the law covering formation and operation of such a district, particularly the failure of

CAMPBELL COMMUNITY SERVICE FUND DRIVE LAGS SHORT OF GOAL

More than 75 percent of the Campbell Community Service Fund quota for this year has been collected, C. P. Klassen, drive manager, announced today. In addition to this amount, several captains have called in, stating that they have more cash to turn in and are continuing to contact every home in their districts.

"We are glad that people give where they live," commented the manager. "Special recognition is due those captains who were responsible for large areas such as the Moorpark section where Mrs. McKee has done a trojan work in organizing her workers. The Moorpark area has turned in more than \$1,200 and there is still more to come."

"The unusual this year was done by all the businesses, who contributed more than twice the amount given last year. In 1949 the business contributions were somewhat over \$1,100, and this year more than \$2,400 was collected. It is gratifying to know that the businesses, along the San Jose-Los Gatos Highway in the Campbell area contributed

more than \$380, while the work on Stevens Creek Road and Saratoga highway is being completed now."

Klassen added that the men of the Rotary club in Campbell did a grand job in canvassing the immediate Campbell area, with G. E. Jeffers as captain. More than \$2,000 was collected there.

"As of today," said Klassen, "we have received \$7,350 towards our goal of \$11,000."

"The Community Service Fund is grateful to the large business firms not in our area who have so liberally contributed to this fund. A more complete list will be released at a later date. We thank those San Jose firms who directed contributions made from Campbell area back into our fund."

Campbell's Whiteway In Planning Stage

Campbell's future "whiteway" along Campbell Avenue and Winchester Road received top attention at the meeting of the Chamber of Commerce board of directors Monday night. PG&E engineer Leonard Cronkite recommended that in planning the lights for the opposite side of Campbell Avenue, the lamp poles be staggered to alternate with those on the other side of the street.

Cronkite outlined necessary steps for obtaining the lighting which will be installed on Campbell Avenue and Winchester Road from the creek bridge to Rincon Avenue. He promised to submit reports of estimated costs and a model plan at the next board meeting December 4.

STREET SWEEPER

Secretary-manager Forrest Reese was asked to confer with County Supervisor Joseph McKinnon on method of obtaining funds for operation of a street sweeper in the business district. The high school, which has such a sweeper, has offered use of the vehicle to the community providing the town can obtain allotment of funds to provide payment to the sweeper operator, and for removal of the piles of debris.

Mrs. Barth O'Brien, representative to the board from the Campbell Garden Club, Inc., outlined her club's plans for planting Kwanzan flowering cherry trees in yards and along the streets of Campbell. The board endorsed the plan and offered its assistance. A delegate of the chamber attended the community meeting on the cherry tree project last night at Campbell high school.

Junior Chamber of Commerce representative Don Gracir described his group's project to supply needed street signs in the community. The directors endorsed this plan and congratulated the Jaycees on their civic pride.

Herbert Shadle's name was entered as representative of the Campbell Kiwanis Club to the board.

CHRISTMAS LIGHTS

Reese reported that contract for the Christmas lights in the main business district has been let to Nelson Electric Company of Campbell at a cost about 40 percent lower than that for previous years. Cost per merchant will be \$7.

SOMETHING NEW HAS BEEN ADDED

Notice anything different about the paper this week?

This is the first issue of the Campbell Press to be printed on the new four-page Miehle press installed last weekend. The four page succeeds the old two-page model which has been sold. The new Miehle means a speed up in production time for each week's paper.

The Campbell Press will continue to grow with the Campbell community.

'Quake Authority Talks On Temblors For Kiwanians

Dr. Norman Dolloff, member of the geology department faculty at San Jose State College, was the guest speaker at the Campbell Kiwanis Club meeting Tuesday noon. His subject was "Earthquakes, Their Cause and Effect."

Dr. Dolloff discussed popular fallacies concerning cause of earthquakes, then offered scientific facts about temblors. There is absolutely no hope that this area will be free from future quakes, said the speaker. This section lies between two major earth faults, the San Andreas and the Hayward. The 1906 San Francisco earthquake occurred along the San Andreas line, he pointed out, and it is probable that the next temblor will come from the Hayward line, since the two have alternated in supplying the earthquakes for this area. The last Hayward quake was in the 1800's. Energy which results in the temblors is built up during the quiet periods, then released to cause the next quake.

D. L. 'Red' Beltz, program chairman, introduced the speaker.

Next Tuesday, the Kiwanians will hear Campbell Union School District Superintendent William C. Henley, who will speak on the need for a bond issue to provide funds for school expansion. Club members will also see final reels of the "Life in Campbell" film.

Music Teachers To Demonstrate Teaching Methods

Miss Gladys Lathers, first grade teacher at Moreland School, will give a demonstration in singing, rhythmic and instrumental activities at the Santa Clara County Music Workshop at Burbank Elementary School, Tuesday at 3:45 p.m.

Twenty-one first graders will participate in the demonstration which will illustrate the music program in the primary grades.

Mrs. Vivian Snow and Mrs. Clara Straight, also of Moreland, will demonstrate special teaching aids in music reading in the second and third grades.

Mrs. Ruby Elmer, second grade teacher at Berryessa School, will speak on correlation of art and music, and Mrs. Margaret Shilken, coordinator of classroom music at Pala Elementary School, will present a demonstration of rote songs.

Mrs. Marjory O'Dell Morgan, supervisor of vocal music in the county schools, will preside.

Campbell's proposed Police Protection District will be given a public hearing on Monday, November 27, at 2 p.m. before the County Board of Supervisors.

It is expected that a strong farmer protest group will be on hand for the hearing. Other individuals will be heard on whether they wish to be included in the 20-square mile district.

Legal boundary definitions are published elsewhere in this issue in a legal notice of the hearing.

the law to provide for regulation of the police commission fund raising and disbursement operations and the selection of policemen.

Those present were: Joseph V. Gomes, Robert Hicks of the Ainsley Corporation, Homer Hyde of the Campbell Water Company, Karl and W. Calvin Bohnett, Attorney Richard Morton, Forrest Reese, William Maderis, Frank Accardi, John Lyndon, Mario Sasia, B. J. Stojanovich, Fred P. Hufmann, G. E. Tutt, Oliver C. Jensen, D. B. Pressler, Alfred A. Weltz, Jacob C. Newcomer, A. H. Hart, George E. Jeffers, Dudley S. Davis, G. R. Newcomb, Ray Fish, C. F. Heinbold, Anthony Raffanti and Eugene W. Barnes.

Gomes, who presided at the session, called on Attorney Morton for an interpretation of the law governing formation of police districts. Morton told the group that those who handled preliminary steps in organization of the district filed under the law which provides for establishment of the district within an unincorporated town.

Signatures of 50 registered voters are required for acceptance of a petition asking formation of the district. The petition is first surveyed by county officers to determine whether all names thereon are those of registered voters. The petition goes next to the Boundary Commission to determine possible bounds of the district from the tax standpoint. After this, the petition is submitted to the County Board of Supervisors with request for public hearing date.

DISTRICT MANDATORY

Under this law, said Morton, it is mandatory that supervisors rule at the hearing that the district be established. They must appoint three commissioners, to serve until the following April, to administer the district.

Here, he pointed out, is one of the pitfalls of the law. The police commissioners are answerable to no one other than the district. There are no restrictions on the process by which they form and operate the district. The commissioners are absolutely free to proceed as they see fit for the best interest of the district.

Maximum allowable tax rate under this law is \$1.72 per \$100 assessed valuation. Minimum rate is .50c per \$100. Tax rate depends upon whether the district owns real property and the manner in which it is purchased, he said.

The commission, according to Morton's statement, has the power to purchase real property and to erect buildings with the tax revenues from any one year. On July 1 of each year the commission

PERSONALITY SHORT ... It is generally agreed that Campbell high school is one of the fastest growing schools in the county. And quite appropriately the athletic program has to be, and is, expanding accordingly.

With the growth of such a department it is mandatory that proper and fitting instructors and coaches be acquired.

In Junior Morgan, a first year man on the Campbell Physical Education staff, the high school administration has obtained a top-notch athletic instructor and coach. What is more important, Morgan is personally qualified for the oft-times tedious task of teaching a group of independent students.

The soft-spoken, youthful coach brings to Campbell a record that

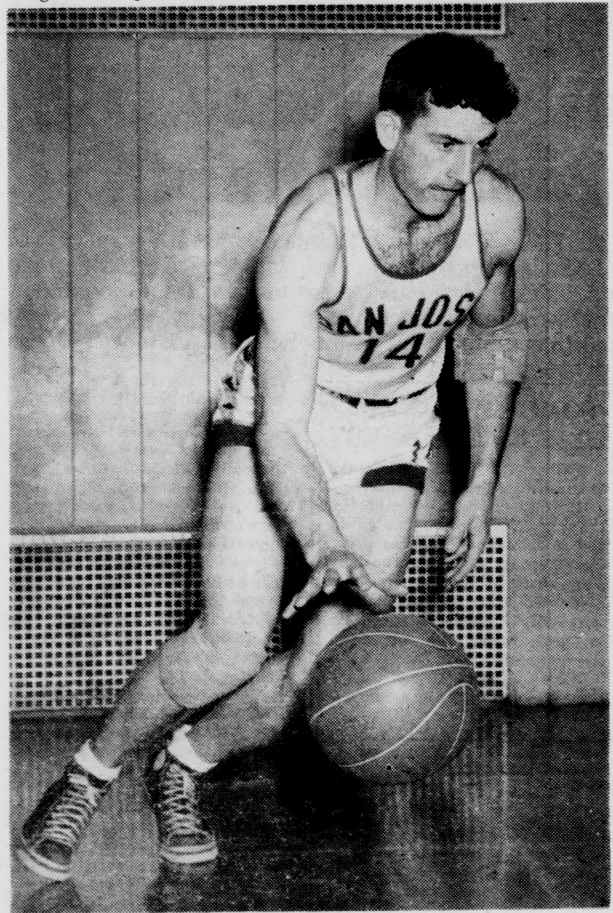

said, "and I played about 50 minutes."

"The mere fact that I had a chance to play afforded me my greatest football thrill." It appears that the amiable gentleman is full of surprises. We long wondered about his name, Junior. We thought it was a nickname or a family name. But no, according to Morgan, his dad suggested the moniker.

When Junior was born, so he said, J. P. Morgan, the financial tycoon was forever in the headlines.

Mr. Morgan, the father, decided to name his son with the same initials as "the" Morgan had. A middle name of Paul was chosen but a first name was still undecided.

Mr. Morgan, Junior's father, wanted a name that was not

Buc coach Junior Morgan caught in some basketball antics while playing for SPSC last season.

adequately exemplifies his athletic versatility and prowess.

While attending San Jose State college, he earned 10 letters in three major sports. He won four in basketball, his first love (strange as it may seem, three in football and three in track).

It is as a star end on the grid squad that Morgan is best remembered. In the 40-odd years of football at State, he is regarded as one of the best flankers ever to play out of the Washington Square school.

Last year in his senior year, Morgan established a school record by catching 25 passes in one season. By a pleasant coincidence, the mark is now being threatened by another end, a lad by the name of Billy Wilson. This Wilson boy is vaguely familiar around these parts for his grid talents at Campbell high.

Despite the fact that he starred in football at State, Morgan never played a minute of the sport in high school. His chief interest at Santa Monica high was basketball.

When he arrived at State he went out for football only because he heard that coaching jobs were easier to get if one had football experience.

How rapidly he mastered the fundamentals of the game and the finer points that make a player a stand-out can be learned through the college athletic annals.

The lanky, 25-year old Navy veteran is modest almost to a fault. Trying to get any personal achievements out of him is like getting ink from a pencil. . . lead that is.

When asked what was his greatest thrill, he quickly answered the 99-yard touchdown run made by teammate Marv Johnson against St. Mary's last year.

Morgan said, "At the start of the third quarter I was very low, but that run at the start of the second half lifted me right up there." He stated that lengthy jaunt was the turning point of the game, as SJSC went on to win, 40 to 13.

After several minutes of deep thinking, Junior admitted one personal thrill that stands out in his recollections. To many non-players it may seem a superficial one but to those who love and live the game it is logical.

"As a freshman we went down to San Diego for a game," Morgan explained. "In this contest I played strictly defensive end. But it marked the first time I really

had a chance to play for a definite length of time.

"It seemed that all the other common or everyday. So out of the clear sky he grabbed the unique name of Junior. So he got his wish of naming his son with the initials of J.P.M., and Junior got the name of Junior. It's really quite clear, Junior.

Morgan's coaching duties (the coach, not the financier) at Campbell are primarily three-fold. At this writing he is line coach of the varsity eleven and mentor of the JV squad. In the spring he will take charge of the track team. Come next month he will assist Bert Robinson in molding another winning basketball combination.

From a coaching viewpoint he would rather teach track and football. But when it comes to actually playing, basketball is his prime love.

With such a wealth of practical athletic experience and background it is evident that Junior Morgan will fit snugly into the future plans of the Campbell high school athletic program.

Wilton Stine New Head Of County Farm Bureau

Wilton Stine, local prune and strawberry grower, was elected as president of the County Farm Bureau for the next year at a recent meeting held in the bureau offices on The Alameda in San Jose.

Woodward Teresi and Ray Steindorf, also of Campbell, were among those elected to the executive committee. Teresi was elected a non-voting state delegate, a position which Stine automatically assumes. Stine was second vice-president for two years.

Lightweights Drop Two To Lick Duo

The Campbell lightweight basketball teams, particularly the 120 exponent squad experienced an afternoon of missed shots as both culbs fell before the visiting James Lick duo yesterday.

The 20's failed in about one-half of their shots as time after time the ball simply refused to go through the hoop. The resultant final score of 31 to 23 is indicative of missed shots.

From the floor on long shots the Bucabes fared satisfactorily. Ken Beth, top local scorer with 13 points, sank several long beauties. Harold Shumway, leading scorer of the year, tallied 10 points.

The 10's lost 31 to 19. Ronnie Arnaud led the way for the Bucs with six points. Captain Gary Hoover tanked five.

Next week's schedule finds Bert Robinson's boys playing host to San Lorenzo light weights Tuesday. Thursday they travel to Washington.

Wilson Paces SJ Passing Offense

Billy Wilson, stellar end for the San Jose State eleven, continues to pace the squad in the pass catching department.

Wilson, former Campbell high All-SCVAL flanker, has snagged 14 aeriels thus far this season. In all Spartan receivers have caught 42 passes from three quarterbacks. Thus Wilson has accounted for exactly one-third of team completions.

The tall, limber senior has to tallied 276 yards gained through his receptions. Team total is 815 yards through the air.

Adult Basketball Loop Holds Special Meeting Tuesday

With the Campbell Adult Basketball program under way for the past two weeks at the local high school gym, plans are in the making for this season's league.

Bert Robinson, hard court mentor at the institution and in charge of the program, announced yesterday that a special meeting of all managers has been called for Tuesday evening, Nov. 14, at the gym.

The purpose of the meeting is to decide final rules, starting times and schedules.

Like last year, 15 men will be allowed per squad. Six teams will formulate one loop. The program has basketball on Tuesday and Thursday evenings. These two nights will feature individual loops.

Teams in the respective divisions will play round-robin schedules, with the winner of the first half meeting the victor of the second half. Thus the ultimate winners of both loops will meet to decide the champions supreme.

Robinson said that there is no age limit. But he stressed the point that no high school students are eligible for this adult league.

Skeet Shoot And Clam Dig Slated For Association Members This Weekend

Saratoga Sportsmen's Association increased its membership by 15 Monday night when the Los Gatos Rifle and Pistol Club membership merged with the local organization.

In addition, the club has slated two events for this week-end, a skeet shoot, and clam dig. The shoot will be held this Sunday, November 12, with Jack Clark leading the way to the Garrod ranch where the range is located. Range fees have been increased to cover cost of skeet birds and to build up the club treasury.

All members who are able to do so are expected to attend the clam dig this Saturday, November 11, at 3:15 p.m. Members should take along fishing license, change of clothes, clam rake or fork. The beach is alongside old Camp McQuade. A clam chowder dinner will be held in the near future.

Members of the deer feed committee were congratulated on the success of the dinner November 30. Forty-five persons were on hand to enjoy the supper and program. Nick Miljevich received special thanks for providing the tables and working the other committee members who included Dick Locicero, Sekul Spaich, Bill Sharp, Al Bosworth, Joseph Boisserano and August Boisserano.

The Association went on record opposing the open doe season in Modoc County and passed a resolution proposed by Bill Sharp that open doe seasons in California be prohibited.

BUC ELEVEN PLAYS HOST TO FREMONT TODAY

Locals Still Seek Initial Win Of Season; Lose To Bells, 12-0, As Fumbles Hurt

They say that all bad things come in groups of three. If so, Coach Jim Muir's Buc eleven has been dealt a double dose of ill-luck by Dame Fortune.

Further injuries have dampened the hopes of Campbell for this afternoon's game with Fremont high to be played on the local grid-field.

Muir announced yesterday that three of his starters will probably sit today's tilt out.

Bob Sala, tricky halfback and standout in last week's game with Bellarmine, is suffering from a badly-twisted knee. The injury was sustained in the third quarter of the Buc-Bell contest. Sala was hit by everything except the P.A. system on an off-tackle slant. He had to be helped off the field.

Muir, who hasn't smiled for seven weeks, said that Sala might see limited action. But judging from his tone, Muir was only wishfully thinking.

Another blow to any winning cause is the condition of Charlie Gibbons, first-string center.

He, too, is suffering from a bum knee. It is doubtful if he will even suit up.

Tom Rhodes, who acquitted himself rather favorably against the Bells, will start in Sala's position. Shepardon will fill in for Gibbons.

The third victim is Fullback Farrugia, one of the better line-backers on Muir's defensive squad. The short, rugged defense man more than held his own from his right line backing slot against Bellarmine.

Between penalties and fumbles the Bucs performed like a first division team Saturday night. But those two gremlins had direct bearing on the final score, Bellarmine 12 and Campbell 0.

It will be interesting this afternoon to watch the Bucs against Fremont.

In Jack Reynolds the Indians virtually possess a one-man backfield, but for sure. Utilizing the T formation, the Indians will have Reynolds at quarterback, thus taking advantage of his passing prowess.

Another series of plays will find Reynolds at fullback or at either halfback slot, ready to use his speed and deceptive running. No, someone else centers the ball on these plays. Though boasting only one win in SCVAL play, the Indian's offense is one to be feared. For example against San Jose Tech they rambled for 42 points.

Muir also announced game captains for today's games. The squad voted Stepovich, Farrugian and Calabray as tri-captains. It will be the first time that three captains will lead the Bucs in one game. They say there is safety in numbers.

The Bellarmine game

marked the third straight contest that the Bucs gained more first downs and outrushed their opponent.

In all, Campbell had 10 first downs as compared to 9 for the Bells. The Bucs gained 140 yards on the ground and Bellarmine gained 130. In the first half when the Bells scored both touchdowns, the Bucs totaled 81 yards aground while holding their opponents to 43 ground yards.

It was through the airways that the Bells tallied their TDs. Although they completed only four out of 15 passes, two went for six-pointers.

Six fumbles prevented the local clan from scoring. Every time a drive was on the march a holding penalty or an offside would curtail any further advance. On one occasion three quick-like penalties set the Bucs back from the Bell 15-yard line to almost midfield.

Following is a brief summary on the highlights of the Buc-Bell tilt.

The first break of the game came early in the opening period. After making one first down, the Bucs fumbled on their 24-yard line with Bellarmine recovering. On second play from scrimmage, Quarterback Bailey passed to Rao in the right flats for a TD. Try for extra point was wide. Score: Bells 6, Bucs 0.

At the start of the second quarter some great punting by Bob Williams, Bell end, kept the Bucs well bottled in their territory. Standing on his 38, Williams got off a high bouncing punt that rolled dead on the Buc 2-yard line.

Deep in the shadow of their goal the Bucs were forced to kick. The Bells, after a fruitless attempt to gain likewise punted. The ball was fumbled by McBain and pounced upon by one of the Bell ends.

From the Buc 13, Quarterback Baldacci threw a touchdown pass to halfback Donovan. The try for extra point went for nought as the pass center was fumbled.

At the start of the second half Saul Estrada, back at his end slot for the P.c.s, blocked a Bell punt. That gave the Bucs the ball on Bellarmine's 25-yard line.

But two long penalties hurt the locals no end, shoving them back to mid-field.

The final period was highlighted by a long sustained drive put on by Campbell. Starting from their eight-yard

stripe, the Bucs marched to the Bell six-yard marker before they petered out.

A long pass from John Perata to Rhodes ate much of the yardage.

The game ended with Bellarmine intercepting a Buc pass deep in their Bell territory. Final score: Bells 12 - Bucs 0.

Like many another of P.G. and E.'s 16,500 employees, Henry has found time to serve his community for several terms as school trustee and as fire commissioner. To his neighbors in Shasta County, Henry Bertholas is P.G. and E.

Our main job is to see that you have all the gas and electricity you need at the lowest possible rate. You can judge how efficiently we do that job by two facts: the rates you pay are among the lowest in the nation—and plentiful reserves have already been provided by our record-breaking postwar expansion program, with even more facilities being built.

But every business has additional responsibilities to the communities where it operates, and to their citizens. We now introduce you to six of our neighbors in Shasta County. On the basis of what P.G. and E. means to them and their communities, we think you can judge what it means to you and your community.

P.G. & E.
PACIFIC GAS AND ELECTRIC COMPANY

This is Frank Linbeck, Superintendent of Elementary Schools, Anderson District. Few of Shasta County's leaders know better than he how valuable a citizen and neighbor is P.G. and E. For the company pays nearly half of all school taxes that support Shasta County's fine schools.

Meet Mr. and Mrs. Hugo Baima, of Redding. Along with more than 169,000 other P.G. and E. stockholders, they have invested a portion of their savings in our stock. Not only does this investment pay them a return, but helps finance P.G. and E.'s widespread expansion program to assure you a continuing, adequate supply of low-cost gas and electricity.

Harry W. Hagg, owner of his own Variety Store in Anderson. To merchants and businessmen, as well as the folks who work in Shasta County, P.G. and E.'s investment of \$68,000,000 in property, and annual payrolls of \$1,668,000—have meant better business, a more prosperous community in which to live.

OF STEEL AND SOIL
 Which is the cheaper commodity—finished steel or fertile soil?

This point was raised, and answered, by Benjamin F. Fairless, president of the U. S. Steel Corporation, in a recent San Francisco speech. He pointed out that the average price of finished steel this year is just under five cents a pound—whereas a New York apartment house "cliff-dweller", "sitting" on steel, pays around seven cents a pound for it.

And so, he pointed out,—at least in the New York apartment house district—steel is actually cheaper than dirt!

WHICH IS MORE ESSENTIAL?
 An interesting analogy suggests itself: Aside from monetary value, which—steel or farm soil—is of more value to human society? The question is complex, and it might be discussed endlessly from a thousand angles.

The case for steel is a strong one. Without steel, the industrial revolution would have been impossible—for without steel men would be living, economically, as they lived in the Dark Ages. Man-kind would have no railroads, trucks, motor cars, mass production machinery—nor machinery for agricultural production on the scale required for clothing and adequately feeding our huge and growing American population.

Can the food supply eventually meet the demand? The outlook appears bleak. If there is not enough tillable soil, more steel cannot be the answer. Perhaps, eventually, science may discover some magic by which the whole earth may be made to flower like a garden. That is devoutly to be hoped for. Meanwhile, the productive soil we do have is the most precious commodity of this century.

The CAMPBELL Register

MR. AND MRS. CHARLES SCHMIDT recently spent the weekend at the Carmel Valley Inn. While there they enjoyed golfing at Pebble Beach.

MR. AND MRS. ANTHONY RAFFANTI and MR. AND MRS. PETER SPRAGIA recently returned from a month's tour of the east. They flew to Chicago where they visited relatives and then took the New York Central to Detroit where Mr. Raffanti purchased a new car. After visiting relatives in Toledo, Ohio, they spent several days in New York City and Washington, D.C. They then toured Pennsylvania, West Virginia, Kentucky, Missouri, Oklahoma and New Mexico. They also visited the Grand Canyon and stopped at Las Vegas.

MR. AND MRS. BERT L. BURDA, owners of the Campbell Hatchery, added a second chick to their brood Friday, November 3. The new arrival is Jack Dick Burda. The baby has a brother, Richard.

MR. AND MRS. JAMES BRAND and their son, Jimmy, recently moved to their "brand" new home in Quito Park.

MR. AND MRS. EUGENE JANSEN recently attended the annual convention of the Pacific Railway Club in Sonoma. While there Mr. Jansen also entered a golf tournament.

GOVERNOR EARL WARREN set precedent for California governors this week when he was re-elected by smashing majority to serve a third term; the first third

term governor in the state's history.

The ERNEST FURTADOS of Campbell spent a recent holiday at Wilbur Clark's Desert Inn, Las Vegas, with the John Klinkes of Los Gatos.

MR. AND MRS. D. O. MCCONNELL and their daughter, Kathleen, recently returned to Salt Lake City from Campbell. They had been visiting Mr. McConnell's parents, MR. AND MRS. H. O. MCCONNELL.

HOWARD SMITH recently returned to work at the Campbell Post Office after several months of recuperating from injuries received in an automobile accident.

MRS. EDNA F. SMITH of Campbell was visited by her daughter and husband, Mr. and Mrs. Walter Krohn, from San Francisco last weekend.

MRS. ROBERT LOVEDAY was rushed to O'Connor Hospital in San Jose Tuesday evening for what was believed to be an appendicitis attack. It was found, however, that she was suffering from conditions due to a recent cold. After receiving treatment she was brought home and is now being cared for by her mother, Mrs. P. L. Bower.

Couple Appearing On TV Show This Evening

Miss Jackie Almada of Campbell and her fiancé, Norm Weitzer, will appear on the television program, "Your Hope Chest" over station KRON this evening at 8:30 a'clock.

They and two other couples will be interviewed by Betty Wing Jr. The pair selected by the judges as "Cupid's Couple" will receive a free honeymoon and many lovely gifts. The others will also receive gifts.

Miss Almada and Mr. Weitzer will be married Sunday, November 19, at St. Lucy's Catholic Church, Campbell.

CLUB HAS LIBRARY TEA

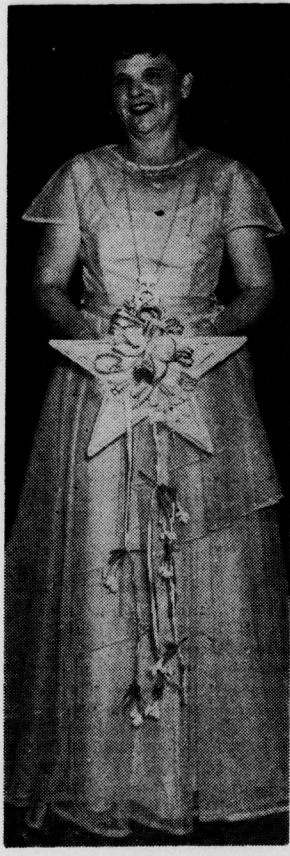

The club house hall of the Country Woman's Club of Campbell was the scene of the annual Library Tea Monday afternoon. The hall was gay with red, orange and bronze colored chrysanthemums arranged in large baskets and attractive bowls.

Tea was poured by the President, Mrs. Laurence J. Hill and Mrs. F. A. Jacobson, a past president, at an attractive table decorated with yellow chrysanthemums and green candles.

Mrs. Byron Moore of Willow Glen, well known to Campbell audiences, entertainingly reviewed the book "Bells on Their Toes" by Frank and Ernestine Gilbreth, a sequel to "Cheaper by the Dozen."

VIOLIN SOLOIST
During the afternoon a violin solo was played by Miss Gilda Mazzanti accompanied at the piano by Miss Joline Howard, her selection being "Meditation" by Massenet.

Mrs. Ralph Hyde, the chairman of the Library committee, an-

Great Pocahontas Marcella Rice recently paid her official visit to Netops Council, degree of Pocahontas.

RUTH STUART TO ADDRESS SAN TOMAS PTA

Mrs. Ruth Stuart, coordinator of the Campbell School District, will speak on "Use of Audio-Visual Materials" at the San Tomas Parent-Teacher Association meeting Thursday, November 16, at 2:30 p.m. in the school. Mrs. Stuart will show some of the materials used in her work.

There will be a short business meeting. Refreshments will be served and care will be provided for pre-school children.

Open house will be conducted from 2 to 2:30 p.m. in each of the classrooms, where all mothers attending may observe the work of their children.

Talk On Safety To Be Featured At Moorpark PTA

The Moorpark grammar school Parent-Teacher Association will meet Tuesday, November 14, at 2:00 p.m. in the school cafeteria. During the program Mrs. Charles Suffield, safety and radio chairman of the California Council of the PTA, will speak on safety.

Program chairman is Mrs. Jerry Ginney assisted by radio chairman Mrs. H. G. Finley and safety chairman Marcus Swengel.

Following the meeting there will be a social hour. Hostesses will be fifth grade room-mothers. A nursery will be provided for small children.

Children's Book Week To Be Theme For Moreland PTA's Program Wed.

Children's Book Week will be celebrated throughout the nation November 12 through 15, and the event will provide the theme for the Moreland Parent-Teacher Association meeting next Wednesday, November 15.

In the last two years Moreland pupils have made many friends with books, and at the PTA meeting students in the upper grades will entertain their parents by forming living pictures of their favorite stories. The following tableaux will be presented under direction of Mrs. Bertha Hoagland: "The Brownie Scouts and Hanzel and Gretel" by Mrs. Lindgren's class; "Angel, The Naughty One" by Mr. Tack's room; "Cinderella and Robin Hood" by Mrs. Montmorency's room; "Treasure Island and Peter Pan" by Miss Blach's room; "Wizard of Oz" by Mr. Traylor's room; "Little Women" by Mr. Brown's room; Mrs. James Bruce will accompany the "Living Pictures" with appropriate music.

At the 2 p. m. meeting PTA President Mrs. Kenneth Blitzer will report final results of the Halloween carnival. Mothers of kindergarten pupils will be the hostesses for the meeting in the kindergarten room.

Attendance award for the October meeting went to Mrs. Montmorency's class.

Moreland PTA is also sponsoring a movie benefit at the Saratoga Theater, Big Basin Way, Saratoga, on Friday evening and Saturday afternoon, November 17 and 18. Walt Disney's "Treasure Island" and "Beaver Valley" will be shown.

"Beaver Valley" recently won the Academy Award for the best short picture of the year. It is hoped that each family in the Moreland district will endeavor to attend the showing of the two pictures and that older boys and girls will help sell many tickets so that the Moreland library shelves will be filled with new friends. Theme of children's Book Week is "Make Friends With Books."

School Carnival At Moreland Nets Over \$300

More than \$300 was raised at the Moreland school Halloween carnival, sponsored by the Parent-Teacher Association for its annual project. Final tabulation of receipts has not been announced.

The Men's Club, Recreation Council, Boy Scouts, Brownies and eighth grade also earned money from booths and concessions.

PTA President Mrs. Kenneth Blitzer extends her appreciation to all the parents, teachers and students who worked to make the carnival a success. Members of the committee included: Mr. and Mrs. George Robertson, Mr. and Mrs. Clarence Barr, Mr. and Mrs. William Murphy, Mr. and Mrs. Marion Harp, Mrs. J. Platts, Mesdames J. G. Lagiss, Betty Hoagland, Robert Allinger and Kenneth Blitzer.

RECOVERED

Harry A. Dutton, 666 University Avenue, is back on his feet after a month's seige of pneumonia.

Flower Show Winners Selected

St. Lucy Guild To Plan Dance

St. Lucy's Evening Guild will have its next meeting at the home of Ann Dardanelli, 650 W. Parr Avenue, next Tuesday at 8 p.m. Hostesses will be Mrs. Dardanelli and Marian Dardanelli.

Members will discuss their November 18 dance during the business session.

Turkey Dinner

Morning Light Lodge, IOOF, enjoyed a turkey dinner at its annual roll call meeting last night.

PTA Dad's Night Features Music By CUHS Pupils

A cafeteria supper similar to the lunch served students at noon was provided for 150 members of the Campbell Union High School Parent-Teacher Association at their meeting Wednesday evening.

This was a Dad's night meeting, and Mrs. L. Ben Howard, president, turned the meeting over to her husband. For the entertainment of the evening, Dan Knowles gave two delightful trombone solos and Gayle La Barbera sang two numbers. Both were accompanied by Rose Marie Magnasco.

A trio consisting of Nancy Titus, Jayne Little and Sandra Howard, presented concluding musical selections on the program.

Mrs. Marion Winston's art class had prepared a large exhibit of pictures on display, arranged in order of progress.

Mrs. Winston gave a brief talk on the exhibit.

Principal Laurence J. Hill explained the building program and introduced architects Birge Clark and Walter Stromquist of Palo Alto who spoke on details of the plans for the school cafeteria.

gymnasium and music room. Due to heavily increased costs of building materials, they said, the trend is toward functionalism in school structures. Questions from the floor were answered by the architects and Mr. Hill.

Participating in the opening ceremonies were Mr. C. P. Klassen who led the salute to the flag, and the Rev. Lawrence J. Osborne, pastor of the Campbell Methodist Church, who gave a short inspirational talk on Thanksgiving.

Mr. J. F. Levenberg announced that the Campbell Footlighters will present the Noel Coward comedy, "Blithe Spirit" next month for the benefit of the Campbell Union Elementary School music department which needs more and larger orchestra instruments.

Mr. John Duncan, principal of the Moorpark School, spoke on the December 14 bond issue for the Campbell Union School District, illustrating his talk with charts showing development of the area and needs for school expansion. The PTA went on record supporting the bond issue.

Job's Daughters Attending Annual Calif. Convention

The annual convention of the International Order of Jobs Daughters of California is now being held at Santa Barbara and members of Bethel 174, Campbell, plan to attend the convention this weekend. Those going are Janet Coombs, Katherine Jones, Marilyn Graham, Janis Henley, Patsy Powell, Pat Hitchman, Patsy Irvin, Donna Horn, Beverly Scholle, Betty Lou Peterson, Darlene Campbell and guardian Grace Coombs. Jo Henley and Deputy Grand Guardian Virginia Currie.

The regular meeting of the Bethel, scheduled for this Saturday, has been cancelled due to the convention.

A dinner was given Friday, October 30, in the IOOF Hall by Senior Princess Janet Coombs as her money-raising project for the Bethel. A Halloween theme was carried out by members of the serving committee who wore costumes. They were Patty Powell, Connie Coombs, Janis Henley, Katherine Jones, Sandra Howard, Nancy Titus, Beverly Scholle, Darlene Campbell, Mary Lou Smith and Bobbie Enoch. Marilyn was decoration chairman.

November 25 at 7:30 p.m. Honored Queen Jeanne Currie will conduct the regular meeting and initiation to be followed by the majority degree. This degree is given to girls who have married or reached the age of 20 and are no longer active members of the order.

Chickenpox Here

One case of chickenpox was reported in Campbell for the week ending October 28. Other cases of chickenpox in the county were distributed in Sunnyvale, 5, and Sunnyvale rural, one, according to the County Health Department.

Helen Dawes, Victor Conner Exchange Vows

Helen Dawes recently exchanged nuptial vows with Victor Parker Conner of the U. S. Navy in a double-ring ceremony at the flower-bedecked, candle-lit altar of the Moffett Field chapel.

The new Mrs. Conner is the daughter of Mr. and Mrs. J. W. Dawes of Campbell. She attended San Jose high school.

Escorted to the altar by her father, the bride wore a white satin gown with shadow lace bodice, long sleeves and train. Her fingertip length veil was of illusion net, and she carried a bouquet of giant chrysanthemums centered with a cluster of white rosebuds and tied with white ribbon streamers.

HONOR ATTENDANT
Matron of honor was Mrs. Hazel Perry, sister of the bride, who wore a sky blue satin frock with fitted bodice and off-the-shoulder neckline. She carried a French bouquet of bronze chrysanthemums.

Bridesmaids were Miss Helen Dawes, niece of the bride, Miss Joan Coats, her cousin, and Miss Ruth Clark. They were attired in similarly styled dresses of pink, rose, and blue-green, respectively, and carried matching French bouquets of chrysanthemums.

Lionel Avilla was best man. Ushers were Jimmy Willbank, Sammy Collins and Bob Borges.

The bride's mother wore a brown crepe dress with draped skirt and black accessories. Her corsage was composed of white gladioli and pale yellow ribbons. The bridegroom's mother, Mrs. Dale Conner of Ottumwa, Indiana, was unable to attend.

Wedding guests greeted the couple during a reception at the home of the bride's sister in San Jose.

Mr. and Mrs. Conner are now at home at 1870 1/2 Plymouth Avenue in Mountain View.

During the meeting Grace Coombs, Guardian of the Campbell Bethel 174 of Job's Daughters, announced that Jacqueline Hartmore will assume the duties of the Bethel guardian following the Job's Daughter installation ceremonies December 9.

ADA REBEKAHS HAVE OFFICER NOMINATIONS

Ada Rebekah Lodge of Campbell met November 7 in the Campbell IOOF Hall, with Noble Grand Helen Wigglesworth presiding. Vice Grand Melba Penhall assisted.

First nomination of officers was conducted. Ruth Livingston was appointed lodge representative to the cherry tree planting committee of the Campbell Garden Club.

Jessie Silberbauer urged all members to attend the Stitches Club card party at the Campbell IOOF Hall November 15 at 2 p.m.

Noble and vice grands reporting on the official visit of Rebekah Assembly Ruth L. Akers to Saratoga Monday evening, said the president's project to refurbish the IOOF Home lounge at Saratoga is already underway and should be completed next month.

A costume party will highlight the November 21 lodge meeting when Saratoga 337 will present the Good Fellowship Anchor and provide entertainment. Proceeds of the grab bag will go toward the president's project.

Naomi Farley was chairman for the evening, assisted by Arlene Fellman and Myrtle Walleit. Arrangements of yellow chrysanthemums decorated the hall. Whist was enjoyed after the meeting.

Jaycee Whist Fete

Junior Chamber of Commerce members are busy with final preparations for their second annual whist party to be held Saturday, November 18, at 8 p.m. in the high school gymnasium. Refreshments will be served and the public is invited to attend. There will be several program events.

Scout Troop 32 Court Of Honor This Evening

Boy Scout Troop 32 of the Campbell First Methodist Church will conduct a troop court of honor tonight in the church recreation hall. Parents and friends of the scouts will be present to witness the ceremony, which will open with a procession of the entire troop marching into the hall.

The Rev. Lawrence J. Osborne will give the invocation. The flag raising and pledge of allegiance will follow. George Larsen, troop committee chairman, will speak briefly, after which the patrols will present the following demonstrations: Eagle Patrol, patrol cook kit; Raccoon Patrol, tying a pack with the diamond hitch; Flaming Arrow Patrol, the tenderfoot ceremony which is based on the Scout Law.

Second class awards and presentation of registration cards will be made by Mr. Larsen and Earl Buck, scoutmaster.

Taps, played by Troop Bugler Robert Ostermeier, and the Scoutmaster's Benediction will conclude the program.

Scouts receiving Second Class scout awards will be: Donald Ackerman, Phillip Binley, Richard Buck, John Davis, Boyd Fair, Mickey Hawkins, Owen Nelson, Richard Rice and Eugene Sabo.

Gopher Control

Control of pocket gophers in orchards, field and yards will be demonstrated next Monday, November 13, at 1:30 p.m. at 71 E. Chameran Avenue, Campbell, by the Agricultural Extension Service.

The public is invited to attend. G. D. Worswick, farm advisor, will be in charge. To reach the site, turn south on Union Avenue from San Jose-Los Gatos Road, go to Cambrian Park office, then left one block on Chameran to northwest corner at New Jersey Avenue.

OFFICIAL NOTICE OF SALE OF COUNTY SANITATION DISTRICT NO. 4 OF SANTA CLARA COUNTY, CALIFORNIA

NOTICE IS HEREBY GIVEN, that sealed proposals will be received by the Board of Directors of County Sanitation District No. 4 of Santa Clara County, State of California, at the chambers of said Board, Room 21, County Courthouse, San Jose, California, on Wednesday, the 15th day of November, 1950, at the hour of 10:00 o'clock A. M. (Pacific Standard Time), for the purchase of Four Hundred Fifty Thousand Dollars (\$450,000.00) principal amount of bonds of County Sanitation District No. 4 of Santa Clara County, State of California, more particularly described below:

Four Hundred Fifty Thousand Dollars (\$450,000.00) principal amount, consisting of four hundred fifty (450) bonds of the denomination of One Thousand Dollars (\$1,000) each, numbered as more particularly hereinafter set forth in the Maturity Schedule, all bonds dated January 1, 1951, and designated "Series C". Said "Series C" bonds are a part of an issue of \$1,650,000.00 principal amount authorized at an election held in said County Sanitation District No. 4 on November 8, 1949. "Series A", consisting of Four Hundred Thousand Dollars (\$400,000.00) principal amount of said total authorized issue has heretofore been sold and is now outstanding. "Series B", consisting of Four Hundred Thousand Dollars (\$400,000.00) principal amount of said total authorized issue has heretofore been sold and is now outstanding. The remaining \$450,000.00 principal amount of said authorized issue will not be sold prior to April 1, 1951.

INTEREST RATE

Maximum six per cent (6%) per annum, payable annually for the first year on January 1, 1952, and semi-annually thereafter on January 1 and July 1 in each year.

Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate stated in the bid must be in a multiple of one-quarter per cent per annum, payable semi-annually, except the first year.

MATURITIES

PAYMENT

Both principal and interest payable in lawful money of the United States of America, at the office of the County Treasurer of the County of Santa Clara, in San Jose, California.

REGISTRATION

Coupon bonds will be issued by the District. Such bonds are registerable only as to both principal and interest.

PURPOSE OF ISSUE

Such bonds are authorized for the purpose of obtaining funds for the construction of a system of trunk sewers, mains and outfall sewers, pumping stations, such treatment works as are necessary and all equipment necessary in pumping and treating sewage, including the acquisition of any real or personal property or interest therein, necessary or convenient for the construction of a sewage system and sewage disposal plant, all as more particularly set forth in the report of the District Engineers, approved and adopted July 5, 1949, by the Board of Directors of County Sanitation District No. 4 of Santa Clara County, pursuant to an election held in said Sanitation District on the 8th day of November, 1949, and approved by more than two-thirds of the votes cast thereat.

DISTRICT

County Sanitation District No. 4 of Santa Clara County was organized on the 1st day of November, 1948, under the provisions of the County Sanitation District Act, being Chapter 3, Part 3, Division 5, of the Health and Safety Code of the State of California, and comprises unincorporated territory of the County of Santa Clara, the City of Los Gatos, Saratoga Sanitary District and Campbell Sanitary District.

visions of the County Sanitation District Act, being Chapter 3, Part 3, Division 5, of the Health and Safety Code of the State of California, and comprises unincorporated territory of the County of Santa Clara, the City of Los Gatos, Saratoga Sanitary District and Campbell Sanitary District.

SECURITY

Said bonds are general obligations of County Sanitation District No. 4 of Santa Clara County, and the Board of Directors of County Sanitation District No. 4 has power and is obligated to cause an annual tax to be levied upon the real property in said District subject to taxation by said District, without limitation of rate or amount, for the payment of said bonds and the interest thereon.

TAX EXEMPT STATUS

In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax Laws, either by the terms of such laws or by ruling of a Federal Income Tax Authority or Official which is followed by the Bureau of Internal Revenue, or by the decision of any Federal Court, the successful bidder may, at its option, prior to the tender of said bonds by the Sanitation District, be relieved of its obligation under the contract to purchase the bonds, and in such case the deposit accompanying its bid will be returned.

LEGAL OPINION

The legal opinion of MESSRS. ORRICK, DAHLQUIST, NEFF & HERRINGTON, of San Francisco, California, approving the validity of said bonds, will be furnished to the successful bidder without charge.

TERMS OF SALE

Highest Bid: The bonds will be awarded to the highest and best bidder considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from date of said bonds to the respective maturity dates thereof, at the coupon rate or rates specified in the bid, and the award will be made on the basis of the lowest net interest cost to the District. The lowest net interest cost shall be computed according to thirty-day month standard four decimal municipal bond interest tables. The purchaser must pay accrued interest from date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the District.

Right of Rejection: Sanitation District reserves the right in its discretion to reject any and all bids, and to waive any irregularity or informality in any bid.

Prompt Award: The said Sanitation District will take action awarding the bonds or rejecting all bids not later than twenty-four (24) hours after the expiration of the time herein prescribed for receipt of proposals; provided that the award may be made after the expiration of the specified time if the bidder shall not have given said Sanitation District notice in writing of the withdrawal of such proposal.

Prompt Delivery: Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of Santa Clara County, in San Jose, California, as soon as the bonds can be prepared, which is estimated to be January 2, 1951.

Right of Cancellation: The successful bidder shall have the right, at its option, to cancel the contract of purchase if the bonds are not tendered for delivery on or prior to February 5, 1951, and in such event the successful bidder shall be entitled to the return of the deposit accompanying its bid.

Form of Bid: All bids must be unconditional for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope, addressed to the Board of Directors of County Sanitation District No. 4 of Santa Clara County, and endorsed "Proposal for Bonds of County Sanitation District No. 4 of Santa Clara County", and mailed or delivered to said Board at Room 21, Santa Clara County Courthouse, San Jose, California.

Bid Check: With each bid must be submitted a certified check or cashier's check for \$2,500.00 drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the order of the Treasurer of Santa Clara County, to secure said Sanitation District from any loss resulting from the failure of the bidder to comply with the terms of its bid. In addition, bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or District. Checks of the unsuccessful bidders will be returned upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

GENERAL INFORMATION

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices. That there is presently outstanding bonded indebtedness of said County Sanitation District No. 4 of Santa Clara County, principal amount of \$800,000.00, constituting "Series A" and "Series B" of said aggregate authorized issue of \$1,650,000.00.

DATED: October 25, 1950.

RICHARD OLSON
Secretary of the Board of Directors of County Sanitation District No. 4 of Santa Clara County.

HIGHEST BID: The bonds will be awarded to the highest and best bidder considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total

amount of interest which the District would be required to pay from January 1, 1951, to the respective maturity dates thereof, at the coupon rate or rates specified in the bid, and the award will be made on the basis of the lowest net interest cost to the District. The lowest net interest cost shall be computed according to thirty-day month standard four decimal municipal bond interest tables. The purchaser must pay accrued interest from January 1, 1951, to the date of delivery. The cost of printing the bonds will be borne by the District.

PROMPT AWARD: The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than twenty-four (24) hours after the expiration of the time herein prescribed for receipt of proposals; provided that the award may be made after the expiration of the specified time if the bidder shall not have given the Board of Supervisors notice in writing of the withdrawal of such proposal.

PROMPT DELIVERY: Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of Santa Clara County, in San Jose, California, as soon as the bonds can be prepared, which is estimated to be January 2, 1951.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at its option, to cancel the contract of purchase if the bonds are not tendered for delivery on or prior to February 5, 1951, and in such event the successful bidder shall be entitled to the return of the deposit accompanying its bid.

FORM OF BID: All bids must be unconditional for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope, addressed to the Board of Supervisors of Santa Clara County, and endorsed "Proposal for Bonds of Campbell Union High School District of Santa Clara County".

BID CHECK: With each bid must be submitted a certified check or cashier's check for \$5,000.00 drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the order of the Treasurer of Santa Clara County, to secure said Campbell Union High School District from any loss resulting from the failure of the bidder to comply with the terms of its bid. In addition, bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or District. Checks of the unsuccessful bidders will be returned upon the award of the bonds. No interest will be paid upon deposit made by the unsuccessful bidder.

GENERAL INFORMATION

The assessed valuation of all taxable property in the District according to the 1950-51 Equalized Assessment Roll is \$24,598,320.00 (including the area commonly known as Bradley Manor No. 3). Legal proceedings are now pending involving the validity of the annexation by the City of San Jose of Bradley Manor No. 3 area. The assessed valuation of taxable property within Bradley Manor No. 3 area is \$1,877,930.00. If it is finally determined by the Courts that Bradley Manor No. 3 area was legally annexed to the City of San Jose said area upon such annexation by operation of law ceased to be a part of the Campbell Union High School District and the assessed valuation of taxable property in the District would be reduced to \$22,720,390.00. In the opinion of bond counsel the legal proceedings questioning the validity of the annexation of Bradley Manor No. 3 area to the City of San Jose do not affect the legality of the bonds of the District or the right of the District to issue and sell the bonds as herein set forth, but the assessed valuation of all taxable property in the District upon which taxes may be levied for the payment of principal and interest of the bonds may be reduced depending upon the outcome of said litigation. The amount of bonds previously issued and now outstanding is \$56,000.00.

Campbell Union High School District has been acting as a school district under the laws of the State of California continuously since June 1, 1900.

Self-Service Laundry Leased To James Rahman

Mr. and Mrs. James Rahman, formerly of Florida, have leased the Campbell Self-Service Laundry, 310 E. Central Avenue, from Irvin Wiens. The two-year lease has a two-year renewal clause.

The Rahmans and their small son, Peter, 2, came out here from Florida so that Mr. Rahman could enter Stanford University. The Navy reserve airman has completed two and one-half years of college work and will enter Stanford in January to continue his studies in bio-chemistry.

At present, Mr. Rahman is doing remodeling work at the laundry. He served five years in the Navy, largely in the southeastern United States.

MYF To Discuss "The Meaning Of Church Membership"

Leading the discussion at the Sunday evening meeting of the Methodist Youth Fellowship at 7 p.m. in the church will be Sandra Howard. The topic to be discussed is "The Meaning of Church Membership." Richard Osborne will be in charge of the worship service.

There will also be two special speakers. Mrs. Rose E. Hanger will speak on "Thoughts of a Long-time Member" and Mrs. Howard Guilbert, who is joining the church on Sunday, will speak on "Thoughts of a New Member."

Special pipe organ music for each Sunday evening will be provided by Louella Rice and Joline Howard.

Following the meeting the young people will go to the home of one of the church members for a surprise pilgrimage with refreshments.

Initial San Jose Symphony Preview To Be Given By Conductor Usigli

Many families in the Saratoga, Los Gatos area are usually in attendance at the San Jose Symphony concerts, in fact many of the Symphony Board members are from this area and all are interested and awaiting the "Symphony Previews".

Symphony Previews are sponsored by the San Jose Symphony Association and the Service League of San Jose, and the first of its kind to be given in San Jose. The initial preview will be given by Gastone Usigli, distinguished conductor of the San Jose Symphony orchestra at the Sainte Claire Hotel Thursday morning, December 7 at 11 o'clock and will be public. Luncheon will be served at noon in the Spartan room and be free of charge and open to the reservations may be made by calling Mr. Gil Wright at CYpress 5-2626.

The previews will follow the format of lectures which have been successfully sponsored for the past three years by the San Francisco Junior League in order that the public could have a better understanding of the music played by the San Jose Symphony. It is the aim of the Service League and the San Jose Symphony Association to bring to the citizens of the area a comparable opportunity for greater musical knowledge.

Gastone Usigli will illustrate his talk by playing various themes from the music which will be played by the San Jose Symphony orchestra at the opening concert December 14 at 8 p.m. at the Civic Auditorium. Maestro Usigli, a conductor-composer of vast musical knowledge and ability has conducted celebrated symphony orchestras all over the United States and Europe. His magnificent direction of the Bach Festivals at Carmel for the past ten years has received national acclaim by music critics.

For almost three quarters of a century San Jose has had an orchestra. It hasn't always been a full symphony orchestra as it is today, but back in the 1880's San Jose boasted the top musical group on California's Central Coast. The symphony orchestra today—students, teachers, housewives, and business men—eighty or more of them, make up the San Jose Symphony. And by sponsoring the symphony previews a better understanding of music will be given the citizens of San Jose and environs.

More About District Opposed

(Continued from page 1)
sioners shall submit a budget of funds required to operate the district during the next fiscal year, and the supervisors must cause such assessments to be made as shall be necessary to raise the amount budgeted by the commission.

POLICE COMMISSION
Police commissioners receive no salary. The first commission appointed by the supervisors serves until the following April. On the first Monday of that April, the registered voters of the district shall elect three commissioners, to serve terms of one, two and three years, respectively. On the first Monday of each year thereafter, one commissioner is to be elected to replace the outgoing official. Commissioners must be residents of the district.

The district must be established within 30 days after the public hearing by the supervisors.

At the opponents' meeting last night, a committee was appointed to raise funds and to have charge of the fund disbursement for the purpose of carrying on a campaign to inform residents of the proposed district of the facts and pitfalls of the law. Members are Gomes, chairman; Huffman, Hyde, Reese, Stojanovich, Hicks and Morton.

MEANS FOR DEFEAT
Five possibilities of defeating the proposal to establish the district, or of having it dissolved after formation, were offered by Morton. These are—through petition, bearing signatures of two-thirds of the registered voters of any precinct within the district, presented at the public hearing, that precinct may withdraw from the district. Individual request for exclusion of property may be filed by those persons residing on the perimeter of the district.

Opponents may seek a restraining order to have the district formed under the unincorporated territory law instead of the unincorporated town law. Under the 'territory' law maximum tax revenue permitted is \$3,600 per year, regardless of size of the territory. Morton said, 'The town' law maximum for this district would be well over \$10,000.

If the district is formed, opponents may file with the supervisors a petition bearing signatures of 50 registered voters asking dissolution of the district. If the petition is approved by the supervisors, the board may call a public election to determine whether the district shall be dissolved.

Finally, if sufficient precincts are removed from the district through the first method (exclusion request by two-thirds of registered voters) the board may find that the remaining territory is not sufficiently compact to permit proper administration, and thereafter deny the original petition to establish the district.

Although Morton listed the above possibilities, others present offered one other solution, that of incorporation which would automatically eliminate the police district within the incorporated town, and probably keep the total tax rate below cost of the police district. In addition, they said, this would guarantee the residents taxation with representation, which the police district law apparently does not.

Originators of the police district proposal are members of Campbell Legion Patrol, and the move has the support of the executive council of the Campbell American Legion post.

Committee members for the opposition, raised a sum through collections at last night's meeting and authorized printing of direct mail advertising to blanket the area with explanations of the police district law details and possibilities for corruption and mismanagement should the operation of the district be placed in the hands of either unscrupulous or inexperienced commissioners.

New Officers Of Cambrian 4H

Cambrian 4H Club had a Hallo-wen party recently, with 42 attending the successful affair. First prizes for best costumes went to Eleanor Olivera and Peter Nutting. Delicious refreshments were served by Jeanette Highland, Gail Farlow and Patsy O'Hanlon.

TEACHERS ASSOCIATION TO WELCOME TRUSTEES, CIVIC LEADERS AT MEETS

School trustees and civic leaders will be invited to future meetings of Campbell Teachers Association as a result of action taken at an association meeting Wednesday night.

The action is an initial step in a program to widen the scope of the organization, and bring it into closer relationship with the community. As a further means of carrying out the program, the group also agreed to appoint a committee to study how the association may participate in other community organizations, and contribute to various welfare drives organized in the district. A proposal that several teachers attend meetings of the school board throughout the year was also approved.

CONFERENCE REPORTS
Committee heads who attended the recent Asilomar conference for leaders of Bay Section of California Teachers Association reported on the conference discussions.

Dick Gordon, finance committee chairman, explained proposed legislation to base apportionment of state money for school financing on the current Average Daily Attendance figures, rather than on records of the previous year, as is the method now. California Teachers Association is sponsoring this to aid districts such as Campbell where there is a continually growing enrollment.

Calvin Roll, reporting for Chairman Irma DiBenedetto of the professional relations committee, suggested life memberships be given to Campbell Teachers Association members who have retired and live in the area. The suggestion was approved.

Angie Perry, reporting for public relations, emphasized the importance of a two-way understanding with the public and with administration.

Methods and procedure of state legislative machinery in relation to action on bills affecting schools and teachers were given by Alene Seese, reporting for the legislative committee.

Thelma Wathen, association president, reported on methods of group dynamics as explained at the conference.

Results of the recent membership drive were given by Ben Ziegler. About 90 per cent of district teachers are members of both local and state teacher organizations.

Date for the association's Christmas dinner is December 13. Thelma Wathen is chairman for the affair. Margaret Enas was appointed chairman for decorations. Assisting will be Carol Cowdery, Twilla Smith, Doris Hubbard, Joan Pfeiffer, Pauline McKinney.

Parent-Teacher Study Groups Being Organized

Parent-teacher conferences on the educational program of Campbell Union School District will be supplemented this year by a tie-in with a state-wide study program on the three R's sponsored by the California Parent-Teacher Organization.

P.T.A.'s in the three district schools are working with teachers and administrators, and planning discussion groups and demonstrations to show the place of the three R's in the local educational program.

At Campbell Grammar School a parent committee including Mrs. Wayne Lenz, Mrs. Lawrence Faulkner, Mrs. Mervil Uchytel will work with teachers Rosamund Sutter, Ann Merdier, Hazel Bolle, Maude Sourisseau and Principal Dorothy Royce.

A panel discussion on arithmetic will be held in the school auditorium on Tuesday, November 14, at 2 p.m. Teachers Angie Perry, Anna Smith and Maude Sourisseau will demonstrate with their pupils some of the methods used in teaching arithmetic in the second, fourth and eighth grades.

The discussions, giving an overall picture of the subject will supplement, but not replace grade level conferences of parents and teachers, which are already part of the district program.

Veterans Affairs Speaker's Subject At VFW Meeting

Walter Howe of the Douglas for Senator committee addressed members of Lt. Byron C. Lanphear Post 6305, Veterans of Foreign Wars, and Auxiliary at their meeting here Friday evening. Howe spoke of matters affecting veterans legislation in the next Congress. After his talk, Howe answered questions on the Korean situation and other matters pertaining to the Tuesday election.

After Mr. Howe's talk, both the post and auxiliary met in regular sessions. Final reports were received on the recent barn party, and members planned to hold another such event.

Two new recruits were obligated by the post. Several applications were received and tabled until the December meeting. Both post and auxiliary reported success in the current 1951 drive for new members.

Both groups are planning a joint Christmas party for children of members and guests. The party is tentatively scheduled for December 15.

Members of both groups were urged to participate in the San Jose Armistice Day parade. Uniform will include white shirt, no tie, post caps. Regular post inspection by Twelfth District Commander Ed Wetterstrom was postponed until December due to a conflict of dates, but the auxiliary inspection will be held next Friday evening.

After the meeting refreshments were served by the committee for the evening.

BUC BANTER

NOON TIME FOLLIES

The first noon time follies held at Campbell high school made its debut today in the school auditorium. Talent for the show was obtained from the recent talent pool, sponsored by Kenneth Wallace, drama instructor.

Master of ceremonies Jack Harris introduced those on the program which included the Charles-ton done by two blackface minstrels, Jane Anne Pavley and Nancy Daniel. Yvonne Barcus and Carol Bohnett, majorettes for the school band, gave a demonstration of "strutting their stuff." Betty McCrary and Carl Leick sang a comedy duo and George Nelson appeared in a comedy skit. Diane Pardue and Ripple Langton both sang.

HOMEMAKERS' WEEK

Plans for National Future Homemakers of America Week November 12 through 18 are being made by the Campbell chapter. Carrying the observance into their homes, girls will attend church with their parents November 12 and conduct a home service day during the week when they will prepare meals and entertain their parents. "Families Together" is one of the national projects.

A rose planting ceremony will be conducted at the school November 16. Girls from classes of the four years the club has been active here will return to plant bushes commemorating their classes.

In connection with another national project, "World Friendship among Children" chapter members are preparing Christmas gift boxes to be sent to Europe.

Club advisor is Mrs. Adele Charlson. Club president is Virginia Bese, recently elected president of the State FHA organization.

education group led by Mrs. Floyd Dearborn, and assisted by Irma DiBenedetto will conduct a series of P.T.A. study group meetings on the three R's. First meeting will be held in December.

San Tomas School, now concluding parent-teacher conferences on all grade levels, is also organizing group discussions on the three R's. Kindergarten mothers are also working out a series of meetings to discuss special problems relating to kindergarten children.

Marcus Swengels Entertain Staffs Of Two Schools

Mr. and Mrs. Marcus Swengels were hosts Saturday evening to Moorpark school teachers and their wives or husbands. Mr. Swengels is vice-principal of the school. Guests played canasta. Refreshments were served during the evening.

Guests were: Messrs. and Mesdames Dale Hoyt, Melvin Fairbanks, Ed Hilscher, William C. Henley, Louis Hughes, Al Maueseth, Johnson, Ray Ruf, Clifford Cassiday, Duke Foster and Al Robbins. Mr. Henley is the district school superintendent.

Mrs. Catherine Haliwell, Miss Marie MacDonald, Miss Carolyn Coons, Miss Barbara Berry, Mr. Ben Ziegler, Mr. Bruce Bondelle, Mr. John P. Duncan, school principal.

San Tomas faculty members were the guests of the Swengels Sunday evening at a similar gathering.

Safe Driving Campaign Gets Kiwanis Support

Campbell Kiwanis Club's board of directors, at their recent meeting, voted to sponsor a safe driving program in conjunction with the San Jose-Santa Clara County chapter of the National Safety Council. Purpose is to encourage use of arm signals in automobile driving.

First committee meeting is to be called by Ethan Lanphear for purpose of selecting a chairman and planning a course of action along lines proposed by the local chapter of the National Safety Council.

FALL FESTIVAL AND BAZAAR NEXT FRIDAY AT LOCAL CHURCH

Fall festival will be the theme of the annual Congregational Church bazaar which will take place Friday, November 17 at 1 p.m.

This year's carnival will be a gala affair conducted as a street of tiny shops. Aprons, linens, lamps and all kinds of beautiful handwork will be on sale. There will be a fortune teller and a tea room where tea will be served by Sigma Sigma Club.

Other features of the event will be a pantry where canned foods and nuts will be sold, a delicatessen featuring hot foods, a sweet shop with pastries and the Sigma garden shop.

Flower arrangements will be unique and all in all this bazaar promises a festive and successful event for the community.

Lake Erie Dunes Film Subject Of Audubon Tour

"By Erie's Changing Shores" is the title of the second Audubon Screen Tour for this season. It will be presented Thursday evening, November 16, at eight o'clock in the Montgomery Theatre, San Jose Civic Auditorium. This all-color motion picture "Tour" takes its audience into the famous "Dune Country" and through extensive marshes, as well as along the water's edge, to see evidences that the shores of Lake Erie were once part of a vast inland sea.

The film also shows the great numbers of waterfowl, shorebirds, and songbirds, and other forms of life, which come and go with the changing seasons in this area. Dr. George H. Orians, who will present the Screen Tour, is connected with the University of Toledo. As a naturalist and expert nature photographer, Dr. Orians has spent much time studying and photographing this Lake Erie region.

The Audubon Screen Tours are being sponsored by the Santa Clara Valley Audubon Society and San Jose State College, in cooperation with the National Audubon Society.
